

SUSTAINABLE MEETINGS

GREEN MEETINGS PLANNING

Paperless sales tools are used to cut down on printing:

- StarGroups - personalized event website for groups, where attendees make their own reservations online
- Electronic menus, proposals, brochures and invoices.

GREEN MEETINGS

- Sustainable green meeting options and "Clutter Free Meetings" where pads of paper, pens and mints are set as stations in meeting rooms instead of at each setting to reduce waste.
- Recycled content paper flip charts and environmentally friendly non-paper supplies are available upon request
- We provide recycling bins in all meeting spaces
- Linen less meeting tables
- We utilize non-paper resources such as LCD energy efficient digital meeting signage
- When using printed material, post-consumer recycled paper products are incorporated into your meeting and double-sided printing is available
- Green consumption report cards for client take-away available.
